CLASS B – SMALL PETS

Any pet bird, fish, gerbil, hamster, guinea pig, mouse, rat or other small animal identified as a youth project can be exhibited as a small pet. Although the animal may be domesticated and possess a special permit; no wild life will be allowed for the protection of the community.

Open to all small pet members. An exhibit includes one or two pets in good condition at time of show or no premium will be paid.

Junior Cats and Small Pets are shown on the Wednesday of the fair at 3:00 PM near the Rowe Arena under the tent. Rain site to be determined. Animals are shown and taken home after show as no animals will stay on the grounds.

All pets and cats will be health checked by the Superintendent before entering the judging area. Please arrive at least 30 minutes before the show to start the process.

All members may also exhibit in Dept. 10, Vet Science, Class A

Please bring a picture with a little information about you and your pet to be displayed. This can be mounted on tag board or other sturdy backing.

Item No.

1. Gerbil(s)
2. Hamster(s)
3. Cavy (Guinea Pig)
4. Reptile (list kind)
5. Fish (s)
6. Bird(s) caged
7. Any other small animal not listed, to be judged on health of animal & exhibitor's knowledge of pet (Not including goats, rabbits, dogs, cats, & poultry or other animal departments))
