

DEPARTMENT 3 JUNIOR SWINE

Superintendent – Michael Gilster Assistant – Jill Langrehr

NOTE: Members enrolled in Swine may also exhibit items in Dept.10, Class A. These are Vet Science non-animal items.

The swine show at the La Crosse Interstate Fair is non-terminal for 2020. There will be no positive tested pigs allowed to enter or show at this year's fair.

Market hogs must be weighed Wednesday 12:00 noon-2:00 p.m

Exhibitors must comply with all DATCP Animal Health Rules and have their Certificate of Veterinarian Inspection (CVI) form when unloading hogs at the fairgrounds. The CVI must include proper verbiage written by the inspecting veterinarian. Superintendent must inspect hogs before opening the trailer.

An Animal Drug History will need to be completed and turned in with the official paperwork. This form will be provided by the Superintendent.

All paperwork must be turned in to the superintendent by the end of the weigh-in on Wednesday.

All swine must have a Porcine Reproductive and Respiratory Syndrome (PRRS) and Porcine Epidemic Diarrhea virus (PEDv) test within 90 days of the exhibition. This includes the test date, type (both) and results. These results must be postmarked or hand delivered to Mike Gilster by July 1st, no exceptions.

Carcass Class. Youth may show up to four (4) live market hogs, one of them being considered for carcass evaluation only. Carcass animal must be determined and reported to the superintendent by the end of the weigh-in on Wednesday. Hogs must weigh between 230-320 to be entered in the carcass class. Carcass animals will be placed live for ribbons only. Animals will then be slaughtered, evaluated and premiums paid on carcass basis. See Special Awards section for carcass class awards.

SWINE MARKET CLASS

In the swine market classes you are able to show up to three (3) swine per exhibitor per item. When entering your swine for the fair, enter one item number for each animal for each market barrow or market gilt you actually have. The appropriate weight divisions will be determined on entry day at the fair weigh-in.

All swine market class barrows and gilts entered will be divided by weight for correct classes.

Market hogs weighing between 230 and 320 may show and will be eligible for the auction. However, the animal will be sold at 300 pounds maximum sale weight.

Market hogs over 320 pounds may show but will not be eligible for the auction.
