

DEPARTMENT 3 JUNIOR SWINE

Superintendent – Michael Gilster Assistant – Jill Langrehr

NOTE: Members enrolled in Swine may also exhibit items in Dept.10, Class A. These are Vet Science non-animal items.

Swine health papers must be inspected by superintendent before unloading hogs at the fair.

Market hogs must be weighed Wednesday 12:00 noon-2:00 p.m. Check with superintendent for specific weigh-in times.

Judging will begin with showmanship (Senior, Intermediate & Junior) followed by market hog classes.

The Pork Producers Board reserves the right to remove any animal that is showing signs of stress.

Swine show at the La Crosse Interstate Fair is non-terminal for 2019. Exhibitors must comply with all DATCP Animal Health Rules and have the proper testing results provided when animals are unloaded at the fairgrounds on entry day. This includes all PRRS and PEDv documentation.

SWINE - Non-terminal Exhibitors: All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition. Include test date, type, and results of the CVI. For swine originating from herds with positive tests, include the herd plan number on the CVI.

Carcass Class. Youth may show up to three (3) live market hogs and bring one additional barrow or gilt for carcass evaluation. Carcass animals will be placed on foot for ribbons, slaughtered, evaluated and premiums paid on carcass basis. See Special Awards section for carcass class awards.

Each exhibitor must keep a record of the cost of feeding. This record will be taken into consideration in awarding prizes in the event of close competition. A competent judge will judge the class solely from the breeding standpoint. Pigs must be within the weight limit.

SWINE MARKET CLASS

In the swine market classes you are able to show up to three (3) swine per exhibitor per item. When entering your swine for the fair, enter one item number for each animal for each market barrow or market gilt you actually have. The appropriate weight divisions will be determined on entry day at the fair weigh-in.

All swine market class barrows and gilts entered will be divided by weight for correct classes.

Market hogs weighing between 230 and 320 may show and will be eligible for the auction. However, the animal will be sold at 300 pounds maximum sale weight.

Market hogs over 320 pounds may show but will not be eligible for the auction.

Market hogs will be shown by weight in groups of 10.

Animals in market classes must have signed drug history form (see Animal Health Rules)

The judge will select animals for the auction; only one animal per exhibitor may be in the ring for auction selection (unless Supreme and Reserve Supreme Champion). Exhibitor must drive the animal during auction selection.

LA CROSSE-MONROE COUNTY PORK PRODUCERS SHOWMANSHIP AWARDS

Funding is provided by the La Crosse-Monroe County Pork Producers to allow for the Jr. Fair, Swine showmanship premiums to be doubled over the maximum allowed by the Agriculture, Trade & Consumer Protection (ATCP 160), Chapter Ag. 5 rules governing WI fairs. The premiums stated are reflective of the doubled rate.
