Dog Participation Rules & Guidelines for all classes

1. The dog is in good health and is current on rabies & distemper shots. A Vet ID/Check Information form and shot records have been turned into the Dog Project Superintendent prior to the Fair.
2. The handler and dog must demonstrate a successful sit/stay, down/stay and the ability to control the dog when stationary or on leash. It is strongly suggested that the youth and dog successfully complete at least one year of obedience training before moving to agility.
3. The dog must have the ability to be peacefully approached by other dogs and handlers.
4. Any breed or mixture of breeds and/or size of dog is allowed to compete.
5. Family members may share a dog, but there is a maximum number of four runs per dog per day.
6. The discretion of the instructor determines whether the dog/handler team is ready to exhibit OFF leash.
7. The dog may not be pregnant or nursing puppies at the time of competition. Bitches in heat may not compete.
8. Dogs must be at least 12 months old to compete in agility. It is recommended that larger breeds be at least 18 months old as their growth plates in their bones are still developing until the average age of 14 months.
9. Dogs 18 months and younger and 7 years and older are encouraged to jump at least one height lower than their measured jump height.
